d. Mentioned the interest of the Vice President's office [REDACTED] a Negro applicant, whom we can't place as a Commo technician but have offered a GS-4 clerical job which he apparently is accepting. (In this connection, discussed the problem of Negro applicants and Colonel White will give us a paper now being completed on the whole subject of employing minorities.)

e. Reported on the Hardy Subcommittee hearing.

f. Reported on the meeting with Representative Glenard P. Lipscomb regarding the Soviet whaler.

g. Reported on material delivered to Dorothy Fosdick for a speech by Senator Henry M. Jackson.

3. Legislative matters discussed were as follows:

a. H.R. 13705 (Cost-of-Living Adjustment for Retirees)-- we will see Representative Philip Philbin on 7 May to get his support. Mr. Kelleher recommends handling the problem as an amendment rather than new legislation and believes some hearing will be necessary.

b. S. 917 (Omnibus Crime in the Streets) -- seems to be moving and Title III language is entirely acceptable to the Agency. Representative Poff has promised to look out for our interests.

c. S. 1779 (Yarborough bill for private welfare agencies)-- we are staffing out some language for Section VII.

d. H.R. 14907 - pointed out liberalizing amendments to the Credit Union Act.

e. Mentioned new State Department approach on retirement incentives.

4. Recalling the luncheon conversation with Messrs. Conway and Murphy, of the Joint Committee on Atomic Energy staff, in which they expressed interest in getting, in advance and without having to query us, CE information bearing on threats to the security of our own Restricted Data, Admiral Taylor suggested a memo to [REDACTED] requesting that they supply OLC with such information on a continuing basis as appropriate.
